

# WE NEED A HAND

HELP US TO HELP PEOPLE WHO ARE SEEKING ASYLUM  
RIGHT HERE IN BARDON

Asylum Circle is committed to supporting 15 asylum seeking people with food, Go cards, accomodation and more while they live in our community and look for paid work. We're working with volunteers, church groups and donors to keep these asylum seekers housed and fed and we need help. These people seeking asylum are not eligible for any Centrelink payments, public housing or homelessness services but they can legally undertake paid work.
